

ACCEPTANCE OF RESPONSIBILITY

I, the undersigned, having assumed decision making power independently, or having been appointed to such, by a government bureaucracy or corporation controlled by such, do require the following individual(s):

to receive the following vaccination(s):

contrary to laws of this state that provide religious and philosophical exemptions.

I further agree that the stated individual(s) are in excellent to perfect health prior to the administration of such immunization(s).

Consistent with this demand, is my personal acceptance of full responsibility for any and all damages resulting from such immunizations. As a result, I agree to provide compensation amounting to \$1,000,000 to the family(s) of the persons you are requiring to receive the aforementioned vaccinations for each resulting vaccine related injury(s) and/or disease(s) as follows:
